TA-50 Individual Clothing and Equipment

1. All students are required to have two complete sets of accouterments for their OCP uniform; including Velcro unit patches, rank, nametapes, and U.S. Army tapes; along with subdued skill and occupation badges (if applicable). The U.S. embroidered-colored insignia flag is the only authorized insignia. The U.S. Army & Name tapes, rank, and special skills badges MAY be sewn on uniforms as an alternative to Velcro insignias. All uniforms and uniform components brought for wear or layout purposes must be clean and serviceable. At no time will Soldiers bring uniforms or uniform components that are faded or have holes, rips, tears, stains, dirty and/or missing pieces of the component.
2. Cold Weather Equipment will vary by installation, regional climate conditions, and availability of equipment. Any additional issued cold weather gear IAW AR 670-1 may be used at 3rd BN 166th NCOA from (October - March).
3. The Regimental Commander has implemented by policy "Government Meals Directed" for all ATRRS funded courses conducted through School Codes 1012 and 1042. This policy requires all Students to receive and pay for their meals from the government funded dining facility (DFAC) for the duration of their course. No other meal options are authorized. Students will pay the Government Meal Rate (GMR) for all contracted meals provided. The current GMR is: \$3.65 for breakfast, \$5.85 for lunch, and \$5.10 for dinner, which equals \$14.60 per day. GMR is subject to change each calendar year. Units are responsible for authorizing GMR reimbursement in DTS prior to students traveling. Students without a GTC (or other means of paying) will have their DA Form 1059 withheld until payment can be made.
